Cherriots Introduces New Mobile Website

Ever been on the go and wished you had a Cherriots bus schedule with you? With your web-enabled cell phone, you can.

Getting Cherriots bus information is now easier than ever. Cherriots new mobile website lets you access bus information on the go. Use your web-enabled mobile phone to get routes, schedules and fare information anytime, anywhere.

The easy to use mobile site lets you see schedules by stop. You can go to the Cherriots mobile website to find out when the bus will be at your stop.

Wherever you go, take Cherriots info with you. To use the Cherriots mobile website go to www.cherriots.org/mobile.
