CELEBRATE EARTH DAY ALL MONTH

To commemorate the 40th anniversary of Earth Day and to encourage people to try the 2X Grand Ronde Express service between Salem, Rickreall and Grand Ronde, the Spirit Mountain Casino is sponsoring free fares for the entire month of April. The 2X runs daily, 10 times a day, Monday thru Friday, with stops at Grand Ronde, Spirit Mountain Casino, the Rickreall park and ride, on Edgewater near the West Salem Safeway, the downtown Salem transit mall, and the Market St. park and ride.

The 2X Grand Ronde Express service is a partnership between the Confederated Tribes of Grand Ronde and Salem Keizer Transit. It was developed to give citizens of Salem and the West Valley an alternative to driving individual cars when commuting and traveling between the two parts of the valley.

Schedules are available at www.cherriots.org or in customer service at the transit mall in Salem or at the casino.
