Round Up Time!

Cherriots is excited to introduce the first Mobility Device Round-up! The purpose of this event is to educate members of our community who use mobility devices (such as wheelchairs, power chairs, or scooters), so they can enjoy a safe and easy ride with Cherriots.

The Round-up will be held on Wednesday, May 13, 2009, downtown on the North Block of the Salem-Keizer Transit Mall from 10:00am to 3:00pm. This western-themed event features raffles and displays from local vendors, obstacle courses, inspection stations for mobility device securement and marking, buses for riders to practice boarding and deboarding, and other informative and fun activities. Visitors are welcome to join the celebration at anytime throughout the day.

A copy of the event flyer is available for download at www.cherriots.org.

Across the street, the Wednesday Market will be open from 10:00am to 2:00pm. Visitors will have an opportunity to browse booths from local craft, flower, produce and food vendors.
