## **2X – Grand Ronde Express Schedule Changes**

Due to a reduction in funding received by the Confederated Tribes of Grand Ronde, Cherriots will be dropping the number of trips to Grand Ronde from ten to eight, and the bus will no longer stop at the Market St. Park and Ride or the Grand Ronde Tribal Governance Center. Changes take effect on June 21, 2010. Cherriots operates this route under contract with the Confederated Tribes of Grand Ronde.

“We’re disappointed at having to cut service for this route, but we cannot continue the same level of service without appropriate funding,” says Transportation Development Director, Steve Dickey. This service is paid for with Tribal Transit Funds, fares, and Business Energy Tax Credits. The reduction in funding is due to the Confederated Tribes of Grand Ronde not receiving anticipated grant funds in 2010.

Pick up a new schedule for the 2X on the bus, at Cherriots Customer service or at [www.cherriots.org](http://www.cherriots.org).
