Help Select a Transit Center Site in Keizer!

Cherriots will be hosting two Open Houses to hear public opinion on a location for the Keizer Transit Center. The meetings will be held from 6:00pm to 8:00pm on June 30th and July 14th at Keizer City Hall, 930 Chemawa Rd NE. The public is welcome to come any time throughout the Open Houses to view the information and provide comments. There will be a brief presentation at 7pm during each.

Keizer City Hall is accessible by Cherriots Routes 4 and 11.

At the first Open House, community members can view the sites under consideration and comment about the process that will be used to evaluate each site. At the second Open House, the public can see how each site was reviewed and voice opinions on the potential sites.

For those unable to attend an Open House, Cherriots will be providing two corresponding online surveys for participants to provide comments and voice opinions. The first survey will open June 30th and close July 14th. The second survey will open July 14th and close July 22nd. The surveys can be found at www.cherriots.org.
